the river leading back to the lodge in the dark! It was scary when the boats had no running lights, radio was not working and the sky was a bunch of black clouds with intermittent lightning and rain The GPS was not working and the guide forgot he had a search light The lodge sent two search

parties looking for us and we got back to dinner without

The Prairie View - Steven Schussler

The Landing at Minnesota River Heritage Park, formerly Historic Murphy's Landing, was established in 1969. The 88-acre living history museum depicts life in the Lower Minnesota River Valley from the 1840s-1890s with authentic 19th century buildings (like the one-room schoolhouse, pictured), demonstrations and a scenic river trail.
